### A Message from the Master

Greetings Brethren & Ladies of Palmer!

The days of summer are nigh! This is the time we take from our duties and sharpen the chisel before progressing on. We all have different ways to make a clean edge: some of us will camp, fish, play or work in other endeavors; many of us will travel both literally and spiritually. We have received several petitions and will be having some degrees this summer. We have several EAs scheduled for June one possibly on the 13th and we will again need the assistance of our lodge members. Please contact Bro Art Karos for a schedule of the degrees. As we discuss June our scholarship dinner is on the 1st please come out and congratulate the recipients and share in the dinner. The Grand Lodge Annual Communication begins on the 6th and your Elected Officers will again be in attendance representing Henry L. Palmer lodge as best as we can. Remember our last stated meeting before the summer is on the 27th at 7:00 pm. Due to degree work we will not be going dark this summer but will have lodge on July 25th and August 29th (there will be no Templegram through the summer months). And do not forget our Northwest Masonic Center picnic on June 29th starting roughly about 11:00 am.

As spring nears an end we revisited our annual Spaghetti Dinner which went great as usual. We have had to postpone our Ladies at the Table dinner due to a scheduling conflict so mark your calendars for Friday September 12th. And if anyone were to look into my garden spring is also the time of new discoveries and adventures bounded by old traditions: as well as in our lodge. We have informal meetings every Monday night where we go over degree work and have discussions concerning Masonry, if you can please come down and participate.

As we move forward we most always keep present that idea of sincerity which we so solemnly pledged our oaths with. Too often we forego that sincere part in our everyday lives whether it be that rhetorical "Hi, how are you?" or the handshake we provide out of necessity instead of brotherly affection. In our everyday lives we give "lip service" to all kinds of exchanges without thinking about the perceptions or ramifications. However we do have the opportunity

(see "East" on right)

(continued from "East")

every time we speak to someone or shake their hand to make a difference in their world. We have at that moment to impress the tenets of freemasonry most sincerely and solemnly, with friendship, morality and brotherly affection. So instead of giving lip service to the ritualistic "Hi, how are you?" ask with sincere and vivid interest as to how people are doing, take an interest in their hopes and ideas, dreams and concerns, take their hand in a gesture of sincere warmth and demonstrate the tenets of freemasonry in your everyday lives -- save the ritualistic behaviors for our degree nights.

In Wisdom, Strength, and Beauty  
Khristian E. Kay, WM

### A View from the West

Greetings from the West:

Well the month of May has come and gone and with it we have seen some new growth among the brother's.

We have new candidates making their appeal to join our fraternity and this is making next year's schedule busy before we get there.

The Robert Ross table lodge was well attended by the brethren of Palmer and we are already looking forward to next year's event.

As for the sick and distressed I have not heard much out there and I hope that all are well.

You know I have to ask: where have all the brothers gone? We have been having fabulous dinners prepared for every meeting with the hopes that we would see somebody from the past, but to no avail it's still the same great group of fellows and ladies attending. It would be nice to see some faces from the past to enlighten those of us of the future with your presence.

Fraternally,  
Rodney Van Tassel, Senior Warden

### An Update on Past Mater Eric Tess

Worshipful Brother Eric Tess has moved to Manor Care Health Center, N26 W23977 Watertown Road, Waukesha, WI 53188. It is just north of I-94 on Highway 164, about 15 minutes from Milwaukee. He is recovering well that the medical people say he really does not need to be in a hospital now – which is great news, of course! Keep sending those cards and well wishes a visit or two would not hurt.

## A Note from the Junior Warden

### June's planned Dinner:

Gazpacho/Avocado Salad  
 Surf and Turf with Melted Butter and Lemon  
 Corn on the Cobb  
 Baked Potatoes  
 Chocolate Tarts topped with Raspberries

An invitation is extended to not only lodge members but all visiting Masons and their Ladies. Since planning is essential to an event like this it is paramount that you please RSVP to our Junior Warden Art Karos at 414.628.8990 so that proper accommodations can be met. The meal begins at 6:00 PM with Lodge commencing at 7:00PM for the attending Masons. Business attire is requested for all Masons. A special gathering of the Ladies of Palmer will ensue during lodge with activities planned such as wine tasting, antiquing furniture, stain glass designs, painting etc. Henry L. Palmer extends this invitation in furthering fraternal peace and good will.

Thank you  
 Art Karos, JW

## Jobs Daughters Bethel 2

May started off with Bethel 2's Second Annual Spring Flower Sale pick-up. Thank you to everyone who purchased the beautiful flowers from the Shady Lane Nursery. Bethel 2 held a prospective members open "Safari" Friend's Day on May 11th where we had a great turnout with visitors from Bethels 6, 22, 60, and 76, as well as a few prospective members. Girls brought their favorite stuffed animal and joined in on activities, lunch, and bethel meeting. Then, May 16th & 17th, Wisconsin Job's Daughters and adults gathered at the Chula Vista Resort in the Wisconsin Dells for the 86th Annual Session of the Grand Guardian Council. The weekend was a lot of fun and culminated the last Grand Guardian Council year. Then, at Bethel 2's meeting on Tuesday, May 27th, the girls held election. Congratulations to those entering or continuing up the line!

June is sure to be a lot of fun! It is Installation month in "Jobie" world, so girls will be traveling to other Bethels to support one another and daughters take on new roles with new responsibilities. Bethel 2's Installation will be Saturday, June 14th, 2014 at 7:00 p.m. Please consider attending this important day for our Bethel.

Softball season continues and I would like to invite you to come out to the KK Sports Center Tuesday nights through July, located at 3020 South 20th Street in Milwaukee, to watch the girls play. Additional events this summer include Noah's Ark Day, the Northwest Masonic Center Family Picnic, the reception for Miss Wisconsin Job's Daughter Cassidy Brawner, Supreme Session in Spokane Washington, and Jobie Jamboree.

Bethel 2 meets on the second Saturday of the month at 1:00 PM and on the fourth Tuesday at 6:30 PM, with the exception of July and August. Guests are always encouraged and welcomed to attend.

My term as Grand Guardian has come to a close. I would personally like to take this opportunity to thank everyone for their support not only for this last year, but over the last four years as I traveled through the elected line of the Grand Guardian Council. I truly believe that Job's Daughters is the best youth organization for pre-teen and teenage girls. I have thoroughly enjoyed the opportunity to serve this Order on the State level, but I am also looking forward to devoting more time to my jobie home - the daughters of Bethel 2.

If you know of a young lady who would like to find out how much fun can be had by becoming a member of Job's Daughters, you are invited to pick up an informational packet attached to the bulletin board and/or contact myself for additional information.

In honor of Summer, I would like to leave you with this: "Some of the best memories are made in flip flops."
