PALMER PICNIC

On a beautiful summer afternoon, August 3rd, some Masons and friends enjoyed the annual Palmer Picnic. A new wrinkle this year introduced a speaker, Bro. Wes Manko of Kenosha Lodge No. 47, who owns a personal safety educational business and spoke about tactics persons may use to defend themselves.

J.W. Khristian Kay and Tiler Eric Tess worked together to provide a plentiful and sumptuous picnic luncheon. And Mrs. Kay prepared a fabulous chocolate cake to top off a great meal, and a very delightful afternoon.

MASTER'S MESSAGE

Welcome back Brethren, our September will likely start in a rush. We have five brothers who are ready for advancement in their degree work. The specific dates for each degree are not scheduled at this time, but they will use us a lot of Friday nights this month. I have the pleasant problem of scheduling two EAs, two FCs and one MM degree.

Additionally, at our September 26 Stated Meeting we will have one petition to receive and another to vote on. So it is apparent there will be plenty of degree work for the remainder of this year. Why not plan on being a part of this activity; you'll be a better man for it.

All work and no play? No way! Due to the success of our Trivia night last March, the Wackman brothers have scheduled another Team Trivia event for September 20. Team Trivia is rapidly increasing in popularity because it is great fun and inexpensive entertainment for persons of all ages. If you are reading this - you are invited to play. Check out the flyer on page 3 for more details.

Looking forward to October/November when the weather turns cooler, your lodge is planning a return of the once-popular Chili Supper. This event is being coordinated by Junior Warden Khristian Kay. Brother Kay's outstanding ability in the galley is well known, so this production is eagerly anticipated by Masons and friends. Watch for future announcements on this.

Being a lodge member is a wonderful thing. It gives us the opportunity to improve our lives, to mingle with like-minded persons, and to enjoy wholesome activities. Let's take advantage of all that Masonry has to offer.

JOBS DAUGHTERS

Bethel 2 has kept very busy this summer. We have attended Job's Daughters, Demolay, and Eastern Star Installations, as well as a statewide trip to Noah's Ark and local activities including a July 3rd Family Picnic, a trip to Cool Waters at Greenfield Park and a Christmas in July Party. We also participated in Jobie Softball, helped Bethel 63 in Mukwonago initiate a new girl into their Bethel, and spent a weekend at the Green Lake Conference Center for our Annual Job's Daughters Jamboree.

Wisconsin was honored to host our International Convention this year in Middleton and, if I do say so myself, Wisconsin Job's Daughters and adults made our order proud. A great deal of work went into making the week a success and everyone showed a lot of Jobie enthusiasm and spirit. Congratulations to Mom Janine Coley, who did an outstanding job representing our order as Supreme Guardian for the 2007-2008 year.

We also celebrated the Birthdays of Associate Bethel Guardian Dad John Unz on July 24th, and Junior Princess Erika Davis on August 7th and are looking forward to celebrating the Birthdays of Honored Queen Sarah Stevens-Freuck on September 15th and Guide Brianna Kearn-Lewis on September 23rd.

September brings us home to the Northwest Masonic Center to return to the business of conducting our meetings as well as to participate in more Bethel activities and to assist our fellow Masonic Bodies whenever possible. We are also looking forward to visiting other Bethels and to attending the Wisconsin Job's Daughters Annual Statewide Brewer Game on September 6th.

Jobie Love,
Mom Beth Freuck, Bethel 2 Guardian

Eventhough our Temple has been dark during the past two months, some activity has been taking place. The Trustees have been busy with their regular meetings and have continued their efforts to maintain a quality facility.

Changes have been made to the basic air conditioning system. Plumbing improvements have been installed. Outdoors, the overgrown shrubbery and diseased pine trees have been cleared out.

The Trustees have continued developing a plan to involve all Temple users to participate in minor maintenance activities. When all Bodies take part the burden is equally shared and cost savings are realized.

Efforts to reduce energy consumption continue. A replacement control system for the operation of the heating and cooling of our building is being investigated. Replacements of light bulbs and fixtures with energy saving devices are underway.

Our appreciation is extended to the four Trustees who meet regularly and take the necessary steps to preserve and protect the ageing facility that serves us so well.

ROYAL ARCH MASONS

Companions:

Summer will soon be over, and we will again be busy as we "Resume Our Labor." Make this the year that you will make a commitment to become more involved. Pick up a Companion, go to your stated meetings, visit another Chapter, learn a new part in Our Ritual, or refresh some part you may already know.

Our Grand Master John W. Wilke's Pin for this year is the Bee Hive. "Activity is the Key for Success." "The level of activity is directly in proportion to the success of... and happiness of..." (The Lodge, The Mason, The Chapter). Remember you only get out of your membership, what you put into it.

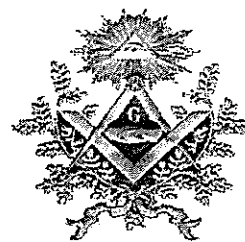

Our next stated Convocation will be held on Wednesday, September 3rd, at 7:30 p.m. Prior to our meeting, we will have Dinner served at 6:30 p.m. Please call June Burton (414) 462-4493 if you plan to attend, will bring a guest, or you are unable to attend.
